

Commemorating the Denmark Vesey Affair: Black Radical Antislavery in the Antebellum South

The Denmark Vesey Affair was a major slave rebellion that took place in Charleston, South Carolina in 1822. The rebellion was planned by Denmark Vesey, a free black man who had Free Downloaded his freedom from slavery. Vesey and his co-conspirators planned to seize control of Charleston and establish a free black republic. The rebellion was ultimately unsuccessful, but it had a profound impact on the history of slavery in the United States.

The Planning and Execution of the Rebellion

Vesey began planning the rebellion in 1821. He recruited a group of followers, including both free blacks and slaves. Vesey and his co-conspirators met in secret and planned the details of the rebellion. They planned to seize control of Charleston on July 14, 1822, the anniversary of the French Revolution. On the day of the rebellion, Vesey and his followers gathered at a church in Charleston. They planned to attack the city's arsenal and distribute weapons to the slaves. However, the rebellion was betrayed by one of Vesey's followers. The city authorities were alerted to the plan and arrested Vesey and his co-conspirators.
