

Con Thien: The Hill of Angels

By Karl Marlantes

Con Thien: The Hill of Angels is a gripping historical account of the Vietnam War, as seen through the eyes of the men who fought in it. This book is an essential read for anyone interested in the history of the war or the human cost of conflict.

Marlantes, a former Marine who served in Vietnam, provides a vivid and unflinching account of the war. He tells the story of the men who fought and died at Con Thien, a small hilltop outpost that was the site of some of the most brutal fighting of the war. Marlantes's writing is both lyrical and brutal, and he does not shy away from the horrors of war.
