

International Labour Law: A Comprehensive Guide for Practitioners and Scholars

By Jean Michel Servais

International labour law is a complex and ever-evolving field, with rules and regulations that govern the relationship between employers and employees at the international level. This book provides a comprehensive guide to the principles and practice of international labour law, written by leading expert Jean Michel Servais.

International Labour Law by Jean-Michel Servais

★★★★★ 5 out of 5

The book begins with an overview of the history, sources, and principles of international labour law. It then examines the application of international labour law in different jurisdictions, including the European Union, the United States, and the developing world. The book also provides detailed analysis of specific topics such as labour standards, labour relations, trade unions, collective bargaining, social dialogue, and dispute resolution.

International Labour Law is an essential resource for anyone working in the field of international labour law, including practitioners, academics, policymakers, and students. The book's clear and concise style makes it accessible to a wide audience, while its comprehensive coverage of the subject matter ensures that it is a valuable reference tool for experts in the field.
