NOFX: The Hepatitis Bathtub and Other Stories is a collection of short stories by Fat Mike, the lead singer of the punk rock band NOFX. The stories are funny, poignant, and often autobiographical, and they offer a unique glimpse into the mind of one of punk rock's most iconic figures.

The book is divided into three sections. The first section, "The Hepatitis Bathtub," is a collection of stories about Fat Mike's early days in the punk

rock scene. The stories are full of humor and debauchery, and they offer a fascinating look at the world of punk rock in the 1980s and 1990s.

The second section, "Other Stories," is a collection of stories that are more personal and introspective. Fat Mike writes about his childhood, his family, and his struggles with addiction. These stories are often heartbreaking, but they are also full of hope and redemption.

The third section, "The Hepatitis Bathtub Revisited," is a collection of stories that were written after the book was originally published. These stories reflect on the events of the past and offer a glimpse of Fat Mike's current life. They are full of wisdom and insight, and they offer a fitting end to the book.

NOFX: The Hepatitis Bathtub and Other Stories is a must-read for fans of punk rock. It is a funny, poignant, and ultimately inspiring book that offers a unique glimpse into the mind of one of punk rock's most iconic figures.

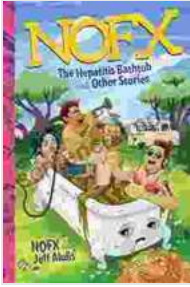

About the Author

Fat Mike is the lead singer of the punk rock band NOFX. He has been a fixture on the punk rock scene for over 30 years, and he is known for his outspoken personality and his sharp wit. Fat Mike is also a talented writer, and his short stories have been published in a variety of magazines and anthologies.
