Our workshops are designed to be hands-on, interactive, and engaging. They're led by experienced educators who are passionate about inspiring young minds. Through a variety of activities, games, and projects, children will learn how to think critically, solve problems, communicate effectively, and work collaboratively.

We offer a wide range of workshops to choose from, including:

- **Coding:** Children will learn the basics of computer programming, including how to code apps, websites, and games.
- **Drama:** Children will develop their creativity, confidence, and communication skills through drama games, improvisation, and performance.
- **Cooking:** Children will learn how to cook healthy, delicious meals from scratch. They'll also develop their fine motor skills and learn about different cultures.
- **Dance:** Children will learn a variety of dance styles, including ballet, jazz, and hip-hop. They'll also develop their coordination, flexibility, and musicality.
- **Life Skills:** Children will learn essential life skills, such as how to manage their time, set goals, and resolve conflict. They'll also develop their decision-making and problem-solving skills.

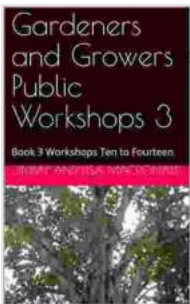

Workshops Ten To Fourteen are more than just a learning experience. They're a chance for children to socialize, make new friends, and build their self-confidence. Our workshops are also a great way for parents to support their child's development and help them reach their full potential.

If you're looking for a way to give your child a head start in life, look no further than Workshops Ten To Fourteen. Our workshops are designed to help children develop the skills and knowledge they need to succeed in the 21st century.
