The Beauty of Running Hand

Running hand, also known as xingshu, is a cursive style of Chinese calligraphy that combines the elegance of regular script with the freedom of cursive script. Its fluid strokes and connected characters create a dynamic and graceful aesthetic. Running hand is often used for writing letters, poems, and other literary works, as it allows for a natural and expressive flow of words.

About the Book

Chinese Calligraphy Arts Running Hand Volume 190 is the latest installment in a renowned series dedicated to the art of running hand. This comprehensive volume features:
